

Application S/N 10/650,286  
Amendment Dated: December 30, 2005  
Response to Office Action dated: December 20, 2005

CE11948JME

**REMARKS/ARGUMENTS**

Claims 1-21 remain pending in the application. In the Office Action, claim 9 was objected to because of an informality. Claim 9 has been amended to overcome the objection. Claims 6 and 10 were rejected under 35 U.S.C. 112, second paragraph, for various reasons. Claims 6 and 10 have been amended to overcome the 112 rejections. In addition, claims 1-5, 7, 8, 11 and 19-21 were allowed. In addition, based on the Examiner's comments in the *Allowable Subject Matter* section of the Office Action, it appears that claims 12-18 were allowed, although such claims were not posted in the Office Action Summary. Applicants request that the Examiner confirm the allowance of claims 12-18.

As such, reconsideration and withdrawal of the rejection of the claims is respectfully requested. Passing of this case is now believed to be in order, and a Notice of Allowance is earnestly solicited.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. No amendment made was for the purpose of narrowing the scope of any claim, unless Applicants have argued herein that such amendment was made to distinguish over a particular reference or combination of references.

In the event that the Examiner deems the present application non-allowable, it is requested that the Examiner telephone the Applicants' attorney or agent at the number indicated below so that the prosecution of the present case may be advanced by the clarification of any continuing rejection.
